NOTE FOR: Special Support Assistant to the DDA

FROM: John M. Ray  
Director of Logistics

SUBJECT: Briefing to COS Seminar

Bob:

Several months ago, I mentioned to you that the Office of Logistics should be provided with a 45-minute segment to brief the COS Seminar. Given the concerns that have recently been expressed regarding property accountability, I believe it is imperative for OL to be granted this slot. Among the things that we should cover in our segment would be not only property accountability and the importance thereof, but also such significant subjects as [redacted] the Ogden-Allied tiger teams, and the utilization of the OL Flying Squad. Please let me know if we will get this time or if I need to go to someone in the Office of Training and Education to arrange it.
